

# Rejuvenations Salon Services

Welcome to **Rejuvenations**, a new full-service luxury day spa and salon located within PowerBack Rehabilitation.

What complements a tough session of rehabilitation better than a relaxing massage? We can't think of anything...except maybe a spa manicure or mini-facial for glowing skin?

What makes you feel more refreshed than a new hair cut? How about brilliant highlights or color by a professional stylist?

To soothe away muscle and joint aches and pains, how does a soothing warm hand and foot treatment sound?

These are just a few of the amenities offered at the Rejuvenations Salon & Spa where guests enjoy a full array of salon services designed to keep them looking and feeling their best...*Refreshed, Renewed and Revived.*
